

Mark Waller

Candidate for House District 15

Dear Friends and Neighbors,

My name is Mark Waller and I'm a Republican candidate for House District 15. As constituents in House District 15, it is our desire and goal to have our elected officials effectively represent our interests in Denver. In order to get that effective representation, our elected officials have to communicate with us, the constituents, and then effectively communicate those values and concerns to the rest of the state legislature.

Our strong conservative values aren't just Republican Values; they are American Values that cross party lines. With the Democrats in control in Denver, it is more imperative than ever to work with, not only our Republican counterparts, but also those across the aisle. This does not mean I will compromise our values or waiver in the face of adversity. I will stand strong for what we believe in and I will do it in a dignified manner. This is not only the best chance we have to be heard, it is the right thing to do.

If we want to have a voice, our elected officials have to put petty bickering and egos aside and work with all legislators to promote our values and further our cause. Without effective communication, we can have no representation. I pledge to you that I will work hard to listen to your ideas and concerns and then take them to Denver and work with all legislators to ensure your needs are met and your voice is heard.

As an officer in the United States Air Force with over 15 years active and reserve time (and still counting), I have had the opportunity to develop and hone the leadership and communication skills necessary to effectively represent our values in Denver. As a Deputy District Attorney in Southern Colorado, I developed the skills to fight hard as an advocate for the People of the State of Colorado. While prosecuting cases, I quickly learned that fighting hard wasn't enough. I learned that in order to be effective I had to also effectively communicate my position in a respectful manner.

With your support, I will take those skills to Denver to represent the strong conservative values of House District 15.
